

GENERAL DESCRIPTION OF THE SCHOOL

Massey High School is a large co-educational school in the West Auckland suburb of Massey. The school opened on its present site in 1970 and since that time the roll has increased to 1700 students. Our students come from a diverse socio-economic background, reflecting the nature of the area. The school retains and seeks to maintain its relaxed, friendly, rural atmosphere.

The school's current philosophy is to maintain the highest standards in academic and sporting, cultural and social areas, within a disciplined and caring environment. We pride ourselves on having a progressive approach to education, with an innovative curriculum model, supported by well qualified teaching staff.

The school is situated 30 minutes away from the International Airport and 20 minutes from the business/shopping centre of Auckland.
