## Massey High School

Massey High School is a large co-educational school which has established a disciplined and caring environment and prides itself on its determination to encourage excellence in all areas of endeavour.

The school provides the teachers and facilities to enable all students to aspire to this goal.

## Personal Development

At Massey High School the strengths of each student are encouraged and fostered.

- Leadership, courtesy, tolerance and personal responsibility are encouraged in a multi-cultural school community.
- Massey High School is divided into four houses for the delivery of pastoral care which creates a smaller environment within our very large school. Each house has two Deans responsible for the welfare of each student.

## Academic

Massey High School promotes academic excellence.

- Above average results in the National Qualifications system.
- A proud record of academic achievement at New Zealand and overseas universities.
- Summit programme for gifted and talented students, both academic and performance based.
- Regular homework, tests and examinations and help with revision programmes.
- Special English Language development programmes, both immersion and transition.
- Academic mentoring.

## Cultural

Massey High School provides every opportunity for cultural enrichment.

- A musical show each year.
- School orchestra, string groups, jazz groups, choirs and singing groups.
- Debating, Chess.
- Drama workshops and classes.
- Cultural groups including Māori, Samoan, Tongan, Cook Island, Korean, Indian.

## Sports

Massey High School actively encourages students to participate in a wide variety of sports and outdoor education activities.

- Sports Academy.
- Coaching is provided in a wide range of sports and Massey High School has a proud record of achievement.
- Massey High School students often compete at national level and international level in a variety of sports.
