

Cooperative Learning Strategy: Round Table

In groups, students each write down a question on a piece of paper and then pass the paper to the next student to answer until each student has had an opportunity to answer the question. Checklist for this activity:

Students know:	✓
Each question they are responding to.	
How much time they have to consider each question.	
Where they are to pass the paper.	
How they will sum up what they have learned or discovered.	
How they will share what they learned with the rest of the class.
