Dear Massey High School teachers;

Thank you for welcoming me to MHS. I arrived from China five weeks ago and felt nervous at first with all the new surroundings.

Luckily, all teachers and classmates were warm and helpful. ~~The~~ Teachers offered me great support, while my classmates made me feel included.

I gained much more than textbook knowledge here. I made new friends, experienced diverse cultures and grew far more confident.

This short stay left me precious happy memories I will cherish forever. Thank you for this amazing experience. Hope we can meet again someday.

Thank you!
