

Just for
you!

Dear Massey High School,

I have spent four wonderful weeks studying here as an exchange student. I am really grateful for your warm kindness and patient help. I have learned a lot and experienced the local school life deeply.

These happy memories will stay in my heart forever. Though I will go back to China soon, I will cherish our friendship. Wish you all the best.

Yours sincerely,
Steffi

Wishing you good times
and happy memories
on your special day.

Happy Birthday
